Each unit that comprises the formation is identified by type (HQ, inf, art, cav, mg or eng). The order in which each unit is identified is the same order in which that unit's SPs, BF's and other characteristics are then set forth in the table.

Units **SPs** are in bold and **BFs** are underlined. The following other unit characteristics are displayed on the table:

<BF> = heavy and indirect artillery

|BF| = indirect artillery

BF^ = bonus point

SP (MGF) = machine gun factor

SP • = organic battery

SP c = organic cavalry
